**Processo nº 2022/0012386**  
Oferta de Compra: 420030000012022OC00079  
Objeto: constituição de Sistema de Registro de Preços – SRP para aquisição de cadeiras giratórias tipo diretor e presidente  
Relatório análise técnica referente ao Item I – Cadeira Diretor  
Elaborado por: Departamento de Logística da Defensoria Pública do Estado de São Paulo  
Licitante: Serra Mobile Indústria e Comercio Ltda.  
O detalhamento de medidas apresentados no laudo não atinge o mínimo do Termo de Referência - TR, como por exemplo:  
Encosto:  
TR = 480 x 670 mm (largura x altura)  
Cadeira VENEZA = 450 x 600 (largura x altura)  
Assento:  
TR = 510 x 480 mm (largura x profundidade)  
Cadeira VENEZA = 450 x 500 (largura x profundidade)  
Além disso algumas informações descritas no TR não constam nos laudos (a norma não exige), como por exemplo: Espessura do compensado do assento, medidas do item, classe e tamanho do pistão, entre outros. Tais informações deveriam constar no catálogo ou manual técnico, entretanto o documento que se refere como catálogo é exatamente o descrito no item BEC junto de uma foto da cadeira.  
Também vale ressaltar que os pés da cadeira que consta no laudo são de nylon, já os apresentados no catálogo são em alumínio, por mais que alumínio seja um material bastante superior, achei importante a ressalva.  
Tais apontamentos já demonstram aparente desacordo, tornando inviável a finalização da análise.
